The 13th Day - In a world torn apart by persecution, war, and oppression, three children in Fatima, Portugal, were chosen by God to offer an urgent message of hope to the world. Based on the memoirs of the oldest seer, Lucia Santos, and many thousands of independent eye-witness accounts, *The 13th Day* dramatizes the true story of three young shepherds who experienced six apparitions of Our Lady between May and October 1917 which culminated in the final prophesied Miracle of the Sun on October 13. Abducted from their homes, thrown into prison, and interrogated under the threat of death in the government's attempt to silence them, the children remained true to their story about the crucial messages from Mary of prayer, repentance, and conversion for the world. Our Lady gave a secret to the children told in three parts, from a harrowing vision of hell, to prophetic warnings of future events including the advent and timing of the Second World War, the spread of Communism, and the attempted assassination of the Pope. This movie is available through *FORMED*. *FORMED* includes access to Catholic e-books, audio books, movies, documentaries, audio talks, Scripture study and commentary. There is content for children, teens and adults. If you haven't done so already, follow the steps below and be nourished in your faith!

That Man is You! is an interactive men's program combining the best research from science with the teachings of the Catholic faith and the wisdom of the saints to develop the vision of a man fully alive. By honestly addressing the pressures and temptations that men face in our modern culture, *That Man is You!* seeks to form men who will be capable of transforming homes and society. This year's program is titled:

WHAT IS LOVE?

The fall semester will tackle head-on the issue that most separates the Church from modern society - the issue of love. Did you know that only 17% of millennials list "getting married" as one of their top three goals in life? Many alternatives in modern society successfully compete for the attention of today's men. This is just one of many possible examples. The good news is that the Church was founded by God, who IS love. Further, the Church has been contemplating this mystery for over 2,000 years. It is time for us to tell our story. Only the Church has a vision so vast that it embraces the latest neurological findings, while soaring to the Marriage Feast of the Lamb. It is a vision that encompasses our modern society and gives hope. Steve will look at the seven critical moments within the Nuptial Mass to answer the question, "What is Love?"
